

**State of Maine**  
**Maine Coastal Program and Municipal Planning Assistance Program**  
**FY 2025 Coastal Community Grant/Shore and Harbor Planning Grant Programs**  
**Questions Received and Answers**

**LETTER OF INTENT DUE DATE: March 29, 2024**

**Q Has my town-submitted an application?**

**A** Past Coastal Community Grant projects are posted on the MPAP [website](#), and past Shore and Harbor Planning Grant projects are posted on the Maine Coastal Program [website](#). Please inquire with the town directly.

**Q Can this help with the gear I lost in the storms?**

**A** Please read the FY2025 [Letter of Intent](#) and [Program Statement](#) for eligibility criteria. Eligible Coastal Community Planning Grant applicants include counties, municipalities, unorganized territories, tribal governments, and Regional Councils in Maine's Coastal Zone. The grant is not available to individuals. Please contact your municipal office to see if assistance is available, and additional resources may be found through this [website](#).

**Q I don't see the scoring criteria in the Letter of Intent; how will they be scored?**

**A** Please read the FY2025 [Program Statement](#) for all information regarding the Letter of Intent, project scoring, timelines, etc.

**Q Would an assessment of stormwater drainage systems in a coastal zone that is impacted by severe flooding events be eligible for this funding opportunity?**

**A** The FY2025 [Program Statement](#) outlines the five Priority Categories for this round of funding. The Letter of Intent should identify how the proposed project addresses or more of these Priority Categories.
